Experience

Something ELSE Studios LLC

Junior Engineer | Mentorship

Winston-Salem, NC
Sep 2026 – Present

- Documented technical decisions and system issues across a cloud infrastructure migration from Replit to Railway in real-time, maintaining a structured log of blockers, resolutions, and configuration changes to support a development team building a React + Vite and PostgreSQL full-stack digital campus platform.
- Executed comprehensive regression testing and staging verification for WebSocket connections, social group chats, voting mechanisms, and QuizPop socket handlers.

Carolina University

IT Support Technician

Winston-Salem, NC
Jun 2026 – Present

- Improved first-contact resolution for 200+ end users by triaging and resolving Tier 1 hardware, software, and Microsoft 365 support tickets through Freshdesk, 8x8 calls, and walk-in service, reducing repeat escalations and maximizing system uptime.
- Secured campus access by leading a full building access control migration provisioning and managing user credentials through the Sifely Smart Lock App and reprogramming 17 Sifely Smart Locks to replace legacy biometric scanners with NFC authentication.
- Restored stable Wi-Fi and ethernet connectivity for 60+ residents by diagnosing a switch-level network loop and migrating port configurations to a new VLAN.

Leadership & Activities

Carolina University

Computer Science Club | President

Winston-Salem, NC
May 2026 – Present

- Grew club membership by 70% and led hands-on technical workshops in preparation for a regional Capture-The-Flag (CTF) cybersecurity competition.
- Published fortnightly career roadmap guides to map out progression in diverse roles amongst the Computer Science field, such as a Full-Stack Developer or IT Systems Administrator.

Carolina University

Office of Campus Life | Resident Assistant

Winston-Salem, NC
May 2026 – Aug 2026

- Served as the primary point of contact for 14+ residents by fielding requests, escalating issues to facilities management, and communicating policy updates clearly.
